About the CMR University

CMR University (CMRU) is a private university in the state of Karnataka, established and governed by the CMR University Act-2013. CMR University aims to promote and undertake the advancement of university education in technical, health, management, life sciences and other allied sectors of higher and professional education.

We believe that creativity is the key competence required to excel in our complex world where independent thinkers, product leaders, artists, designers and innovators are the need of the hour. Our students learn creative concepts and design thinking regardless of their area of study. CMR University fosters creative communities where new ideas can be nurtured, new discoveries made and new creations shared.

Overview of the Webinar

A brief talk about why one should become a Digital Champ and what options are there, insight on disruptions in Industries due to Digital technologies, including examples and potential adoptions

Learning objective

"Intent is to Create Awareness of Options & Potential out there."

Profile of the Speaker

Mahesh has over two decades of diversified experience in the IT Industry under various roles. At present, he heads the Banking & Financial Services Business Unit in TietoEVERY India. He is passionate about the Applications of Digital Tech and the importance of Cyber Security.

He has a master's in Business Administration with a specialization in Strategy & International Sales and an Adv. Diploma in Systems Management.
