Overview of the club:

The CMRU SOET Literature club is committed to inculcate effective communication among students. Our club is poised to tap into the hidden talents with cutting edge activities. Our basic aim is to develop and hone the literary skills of the students. The club also inspires students to develop a taste for literature and works in the direction of expanding their horizon of spoken and written language. Its intricate agenda includes a variety of activities aimed at building up the confidence and grooming the talents of students in facing various interpersonal and intrapersonal challenges and competition.

Overview of the event:

Unsung Heroes.

Heroes who make this place a better place to live in.

We do a lot of paparazzi every day by capturing our favorite superstars. But do we actually know who our real superstars are?

The stars that we see every day are just role-playing; they are only the actors on-screen, but who really inspire us, they are our real-life heroes!

So our club has just redefined paparazzi!

They don't cover actors on screen, but the real heroes off-screen who never got the fame they deserved.

Literature club in collaboration with CSE/IT forum is ready for the article writing event on the REAL HEROES.
