Organized By

**Department Of Computer Science &
Engineering and Information
School of Engineering & Technology.**

**CMR University(Main Campus),
Bengaluru.562149**

About the CMR University

CMR University (CMRU) is a private university in the state of Karnataka, established and governed by the CMR University Act-2013. CMR University aims to promote and undertake the advancement of university education in technical, health, management, life sciences and other allied sectors of higher and professional education.

We believe that creativity is the key competence required to excel in our complex world where independent thinkers, product leaders, artists, designers and innovators are the need of the hour. Our students learn creative concepts and design thinking regardless of their area of study. CMR University fosters creative communities where new ideas can be nurtured, new discoveries made and new creations shared.

Overview of the event:

"Those who educate children well are more to be honoured than parents, for these only gave life, those the art of living well".~ Aristotle

Teacher's are like candles, they consume themselves to light the way for others. They inspire students and help them discover their potential. They use themselves as bridges over which they invite their students to cross, then having felicitated their crossing, Joyfully collapse, encouraging them to create bridges of their own. Not surprisingly, they remain indelible in the minds of their students for their lifetime.

To recognise and felicitate the contribution made by our Teacher's We bring to you a event on auspicious occasion of Teacher's Day on September 5,2020.

List of Events:

- Singing
- Poetry
- Speech

Organizing committee
